2. Use Subject Line: Waitlist 2017
3. Give us your first and last name

As slots become available we will:

1. Email you back to advise you a slot is available
2. You will have 24 hours to register on line
3. Slots not taken within the time frame will be moved to the next person on the list
4. You will be removed from the waitlist once you have been offered a slot whether or not you use it.

**Note:** Anyone left on the Waitlist will be given advance notice of registration for the next year's event prior to being open to the general public.
